Sports Premium in 2023-24

For the academic year (2023-2024) we have used the sports premium money to fund and develop PE, sport and physical activity in the following ways:

- Continued to develop active breaks and lunchtimes – training for lunchtime staff (course through Hampshire Outdoors – Lunchtime Supervisors Workshop) and increased use of children as leaders including Sports Ambassadors, House Captains and Wellbeing Ambassadors.
- Further CPD opportunities for staff through Complete PE scheme of work/membership as well as staff meetings to address areas based on feedback from staff and PE Scorecard to increase confidence and competence in identified areas of PE.
- Positive results from staff and pupil voice – reflects the successful use of funding to deliver high quality PE, school sport and physical activity.
- Teachers taken more responsibility for delivery of competitive inter and intra-school events – volunteered and allocated events to run or accompany children to.
- Continued to develop active learning across school – Teach Active English and Maths as well as other subject areas.
- Paralympian Aaron Phipps visited school again – all children got to meet him two years since his last visit. Year 5/6 had an inspirational workshop with him which links to our vision and secrets of success.
- Top up/catch up swimming in Year 6 for children who didn't meet the expectations in Year 5.
- Coaches provided increased opportunities for girls – particularly football (Y3,4,5,6 girls only football session) and netball (Y3/4/5/6). Increased numbers of girls at football, netball and tag rugby clubs.
- Basketball club run by Reading Rockets for Y1-6.
- Two Parkour clubs run for Y1-6.
- Increased attendance and success at range of competitive sports events.
- All children in Year 6 represented school in competitive sport event.
