

Long Lane Primary School

Sports Premium in 2021-22

For the academic year (2021-2022) we have used the sports premium money (£17,844 + 6,275 c/f) to fund and develop PE, sport and physical activity in the following ways:

- Teacher CPD including gymnastics twilight sessions (Autumn 2021) to increase confidence and competence in this area. Opportunities for further CPD including through Complete PE scheme of work/membership.
- Increased activity levels – use of 5-a-day fitness/movement break videos for children (particularly Foundation and KS1), consistent use of play equipment across all age groups at break and lunchtimes.
- Continue to develop active lessons/outdoor learning across school – English, Maths as well as other subject areas where possible.
- Curriculum development – gradually implementing Complete PE scheme of work/membership (purchased July 2021) in order to support teachers to deliver a suitably challenging and progressive curriculum offering including a wider variety of sports and physical activities on offer.
- Club development (COVID recovery) – adult led through staff in school and outside agencies as well as child-led too (lunchtimes - Y6).
- Intra and inter-school competitions run by PE Coordinator and Sports Ambassadors (Friday afternoons) – competition for all.
- Sports Leadership – through sport network and development in school. Year 5 trained in Sports Leaders Award continued but delivered by PE Coordinator (in PE lessons) through Sports Leaders UK annual membership. Year 6s then able to deliver clubs effectively.
- Subject coordination – time to organise subject including pupil voice, active/outdoor learning, training sports leaders etc.
- Continue to increase the range of different sports accessed both in school and through School Sport Network – particular focus on wider range of children accessing inter-school competitions.
- Return visit of Paralympian Aaron Phipps in 2021-2022 – further develop relationship between school and him in order to raise profile of PE and sport across school and the important life skills related. Apply his morals across the curriculum and school life.

- Raising the profile of PE and sport across school through: sportsman and woman of the month, photo display screen in corridor, sports events for all.
- Swimming – top-up for nine Year 6 children who failed to meet the requirements in 2021 so they can attend with Year 5s in Summer Term.
- West Berkshire School Sport Network Affiliation – access to sports events. CPD, equipment hire (Archery event for PPC), health and wellbeing resources.
- Provide range of equipment and resources to promote active breaks and lunchtimes as well as high quality PE lessons.
