

# Year 2 Spring 1 2026 Curriculum Map

**As scientists** we will:

- Describe the basic needs of animals.
- We will start learning about living things in their habitats.

In **RE** we will be learning about what Passover means to Jewish people.

In **computing** we will explore creating media by making music.

**As artists** we will learn about the works of landscape painters and create our own landscape artwork.

**As readers and writers** we will explore the story of the Polar Express and write descriptively. We will explore non-fiction writing and write factfiles.

**As geographers** we will explore the Polar regions, learn about the climate and consolidate our knowledge of the continents and oceans.

**As mathematicians** we will:

- Learn about measure
- Learn about shape
- Learn about money
- Consolidate our knowledge of addition and subtraction.

In **PE** we will:

- Learn to sequence dance movements.
- We will become gymnasts, working on our linking skills and movement.

Our **PSHE** theme is **Dreams and Goals**. We will develop our resilience when working towards our goals.
