29th April 2025

Dear ...,

We're so excited that you're coming to Long Lane Primary School.

My name is Mrs. Allison, I am going to be your new Headteacher, and I can't wait to meet you!

Sometimes it can feel difficult to do new things. It's okay if you feel a little bit worried about starting school – always tell a grown-up how you're feeling so we can talk about it.

We've started making plans and we can't wait to tell you about all the fantastic things we'll be doing when you come to school! You will start school on Monday 8th September, and you will be in Phoenix House.

In Rainbow Class we always have lots of fun. We love to spend time outside in our garden and taking part in forest school activities. As well as playing together, we learn lots of new things – reading, writing and maths, and we love building, stories, drawing and painting. We will spend time getting to know all our new friends by playing games and singing together. How does that sound? We've got so many fun things planned and we're so excited to get started!

We'd love to find out a bit more about you too before September. Over the summer we would like you to use a shoe box and make it into your own special treasure box. Inside we would like you to put in five special items which you can bring in to show and tell during your first week of school.

Please can you include a photograph of you with your family. We will put these up in our classroom gallery on your first day at school.

See you soon!

Mrs Allison
Long Lane Headteacher
