The Governing Board and Staff of this school will make every effort to ensure that First Aid is available to anyone who suffers injury or a medical emergency on the school premises or during off-site activities.

Responsibility

The Headteacher is responsible for:

- Ensuring that Staff are regularly trained in First Aid
- Ensuring that First Aid equipment is available in sufficient quantities and properly distributed throughout the school
- Ensuring that any special training required for individual conditions (e.g. EpiPen, Epilepsy, Diabetes etc.) is provided and kept up to date
- Ensuring that sufficient numbers of staff are appropriately trained, taking into account the number of people to be treated

Teachers

- Ensuring that they are aware of procedures to be followed when administering First Aid in school
- Ensuring that they know staff members who are designated First Aiders and their location
- Ensuring that they are aware of the location of First Aid boxes in school
- Ensure they know who in their care has medical conditions
- Record on evolve if they provide First Aid.

Governors

- Conduct pupil voice visits, where appropriate, to better understand first-aid arrangements and improve governor understanding of actions that have taken place.
- Liaise with staff when appropriate to support their work
- Appoint a Health and Safety Governor to support the school's aims

Policy Statement

Long Lane Primary School will undertake to ensure compliance with the relevant legislation with regard to the provision of first aid for all employees and to ensure best practice by extending the arrangements as far as is reasonably practicable to children and others who may also be affected by our activities.

Guidance and Procedures

All staff and associated stakeholders should familiarise themselves with the accompanying document entitled "*First Aid in School Guidance*".

First Aid in School Guidance

- Certificates of First Aiders are displayed in the First Aid room.
- During the school day the first point of call for all First Aid is the adult who it is reported to, if First Aid trained, they can provide First Aid. If they require support the child is sent to the First Aid room.
- First Aid Boxes are located in the First Aid room, the Kitchen and all classrooms.
- All visits to First Aid must be recorded on the online Evolve First Aid 'book'.
- Any injury to the head must be recorded and an email and text send home to notify of the injury.
- Gloves should be worn when treating open wounds and bleeding or when dealing with vomit or other bodily waste.
- Any blood stained dressings, tissues, or gloves should be disposed of in the sanitary bins in the toilets.
- Any vomit or bodily waste should be flushed down the toilet.
- Any needles should be deposited in the Sharps Box located in the school office.
- Clean-up kits are located in the First Aid room and under the sink in the Food Tech Room.
- If a child has sickness or diarrhoea they will be sent home and follow the 48hr policy.
- If a child has a temperature (over 38) they will be sent home until their temperature returns to normal.
