

Don't give up

Concentrate

Imagine

Improve

Push yourself

Understand others

Try new things

Work hard

# Understand others

# So, What Is Teamwork?

Look at these words.

Which words could be used to describe what teamwork is?

singular

collaboration

individual

compromise

selfless

getting your own way

selfish

sharing

supportive

working together

taking the credit

Its great when  
things just work.....

[The cog](#)

—  
The whole is greater than  
the sum of its parts

- This is always true:
- In sport
- In music

---

- In dance
- In drama
- And in the *classroom*

# The numbers behind the advert

- 606 takes
- 20 sets of alloy wheels
- 10 bonnets
- 15 pots of paint
- 4 months to completion
- 1 million pounds

A person in a dark hoodie is in the foreground, looking towards a man in a striped sweater who is standing in front of a wall of whiteboards. The whiteboards contain various diagrams and notes. The scene is lit with a cool, blueish light.

What does this mean to me?

Preparation

Planning

Perseverance

# Why is teamwork important....

- Teamwork is efficient work
- Teams innovate faster
- Teammates learn from each other
- Healthy competition
- Forms strong working relationships
